

DRINKS MENU

Welcome

ACT Lounges is proud to welcome you to the Cohiba Atmosphere Nicosia!

When we set out to create our lounge, we had a vision. When in Cuba, there is a unique and almost mystical emotion that one feels whilst enjoying a Habanos accompanied by the finest spirits or blends of coffee. Our aim was to recreate this experience in the heart of Cyprus.

When entering our lounge our customers are transported to an exotic location, where the sun is paused in the sky at that point when it is just setting.

Our experienced and friendly staff stand ready to assist you in choosing your cigar, and in recommending, from our premium range, the cocktail, spirit or coffee to complete your distinctive Habanos experience. We have also sourced the finest ingredients to create our platters and light snacks for the perfect gastronomic voyage.

For the ultimate experience, why not try one of our Cohiba Atmosphere Nicosia Pairing Experiences. The flavours of each third of the cigar have been perfectly matched with the cocktail, spirit, coffee and sweets that offers the definitive cigar encounter.

Whether it's to have that catch-up chat with friends, or to have that business meeting in a tropical environment, or to just relax and put on pause your daily routine, the Cohiba Atmosphere Nicosia is at your disposal. Enjoy the experience!

COHIBA ATMOSPHERE NICOSIA PAIRING EXPERIENCES

The Cohiba Atmosphere Nicosia has created for you the ultimate in tasting experiences. These experiences pair some of the finest Cuban cigars with spirits, cocktails or coffee. The experience commences with the lighting of the cigar by our expert staff together with the 1st serving which pairs with the first third of the cigar, followed by the 2nd serving for the second third and concluding with the 3rd serving to complete your unique experience.

The Trinidad Experience

€45

VITOLA: Trinidad La Trova

STRENGTH: Medium - Full

LENGTH: 166mm

RING GAUGE: 52

ESTIMATED DURATION: 80min

1st third pairing: Plantation Xaymaca Rum (2.5cl)

2nd third pairing: El Dorado 21 Y.O. Rum (2.5cl)

3rd third pairing: Anama (2.5cl)

Experience tasting note:

We have chosen the **Trinidad Experience** to commence with a fruity Plantation Xaymaca, taking into consideration the earthy character that La Trova has. As the cigar reaches its second third, richer and sweeter aromas arise and for this reason we have paired it with the El Dorado 21 years, a full bodied rum with a long aftertaste prominent in black sugar aromas. For the last third, where chocolate and dry fruit aromas are prominent, we have chosen Anama. Its full body and dry fruit aromas, together with its long aftertaste, makes the Anama a worthy partner for this iconic cigar.

Prices include all legal surcharges and applicable taxes.

The Montecristo Experience

€50

VITOLA: Montecristo Linea 1935 Leyenda

STRENGTH: Medium - Full

RING GAUGE: 55

LENGTH: 165mm

ESTIMATED DURATION: 90min

1st third pairing: Old Fashioned cocktail, half serving

2nd third pairing: Makers Mark, American Bourbon (2.5cl)

3rd third pairing: Remy Martin X.O. Cognac (2.5cl)

Experience tasting note:

We have chosen for the **Montecristo Experience** to start with an Old Fashioned cocktail, of which its slightly bittersweet and, at the same time, complex taste pairs beautifully with the chocolatey debut of this Leyenda. As it reaches its second third, the cigar releases rich aromas of leather and spices. The Makers Mark bourbon, with its spicy character and vanilla tones will create a special tasting experience. For the full-bodied final third of this legendary cigar, as its name states, we could only recommend a Remy Martin X.O., of which its aromatic complexity derived from more than 10 years of aging in French oak barrels, will result in an unforgettable experience.

The Cohiba Experience

€60

VITOLA: Cohiba Siglo VI

STRENGTH: Medium - Full

RING GAUGE: 52

LENGTH: 150mm

ESTIMATED DURATION: 70min

1st third pairing: Macallan 12 Y.O. whisky (2.5cl)

2nd third pairing: Dalmore Cigar Malt whisky (2.5cl)

3rd third pairing: Blue Mountain espresso

Experience tasting note:

We chose the **Cohiba Experience** to kick-off with an unbelievably well-balanced Macallan 12 years old, of which its fruity character stands well next to the Cohiba Siglo VI. As the cigar reaches its second third, the creamy taste beckons for a Dalmore Cigar Malt. The aromas of this whisky rich in biscuit, coffee and chocolate will enhance the full body of the Siglo VI. The last third of the cigar is dominated by notes of coffee and black chocolate and for this reason we have paired it with an ultra-premium Blue Mountain espresso of which its oils and intensity will hold your enjoyment at ethereal levels.

Prices include all legal surcharges and applicable taxes.
